Your participation is vital to your success as a student of Coaching4Clergy Professional Coach Training program. By enrolling in this program, participants agree to fully participate in sessions, which includes arriving on time, contributing to discussions, engaging in coaching demonstrations, and completing all assignments.

Attendance

In order to provide you with the minimum number of coach training hours for certification, it is important that you are present for all class sessions. If you are not able to attend due to unforeseen circumstances, contact your instructor through the learning portal as soon as possible.

- **Online Classes**
 - You are permitted to miss two classes, a total of 4 hours, during each level of the program (Level One and Level Two.) Recordings of each class are available for review. *This does not apply to classes designated as group mentor-coaching sessions. See policy below.
 - Any class time beyond two classes (4 hours) that is missed will need to be rescheduled for a future offering of the class. Contact the office manager at wendy@coaching4clergy.com for dates and times that the classes that you missed will be offered. A rescheduling fee will be required.

 - If you are absent for less than 20% of the training event, you will receive credit for the entire training. However, it is strongly advised that you request a recording of the material that you missed.

Partial Completion Policy

Coaching4Clergy will offer a certificate for partial completion of either Level One or Level Two of the Professional Coach Training program. The number of hours awarded will depend on the number of hours of training received. Please include details about the course in which you were enrolled, the number of credit hours you are seeking, and any additional relevant information. If approved, you will receive a certificate from Coaching4Clergy indicating the number of training hours completed.

Students who have partially completed the program can return to finish the program within two years of their initial enrollment at no cost. Students wishing to continue after two years will be required to purchase and successfully complete a 24-hour refresher course before enrolling in the remainder of the program.

Transfer of Credits

If you have completed a Level One program at another organization, we will apply your completed credit hours to your Level Two program. You must provide documentation of your Level One completion, including the organization, number of hours completed, completion certificate, and contact information for the organization or trainer. You may be asked for additional details or documentation on an as-needed basis. Please contact the office manager at wendy@coaching4clergy.com for more information. Training hours for partially completed programs will not be accepted.

What to Expect: Online Classes

Before registering for an online class or semester, we recommend you compare the class dates and times with your calendar. If a class is going to conflict with other obligations, please choose a different class/semester.

Approximately one week prior to the beginning of a new semester, you will receive a welcome message from your instructor. The message may include:

- Class expectations
- Outline of course materials
- Pre-class preparation

The Zoom virtual platform is used for all live online classes. The Zoom link is provided on the welcome page for each class in the learning portal.

Advice for your online class:

- Eliminate or at least reduce distractions as much as possible. Find a quiet location, do not multi-task, and focus on the class.
- If you are using your computer for audio, you will need a headset. If using your phone, please use a phone with a good connection. Static and dropped calls are a disruption for everyone.
- Please sign into the class 5 to 10 minutes before the scheduled class start time.
- Put your microphone on mute when you are not talking. When it is your turn to speak, remember to unmute your microphone. Then begin with your name and proceed with your conversation. When you are finished speaking, mute your microphone.

Requirements to fulfill for credit for the class:

- Sign into the class 5 to 10 minutes before the class begins. Check in with your instructor. If you sign into the class more than five minutes after the session starts you may be marked absent.
- Please remain in the class for the full duration of the session.
- Be prepared to share your take-away for the class at the end of the session.

Please complete and submit a class evaluation. Your feedback and suggestions are very valuable to us!

What to Expect: On-Site Training

Be prepared with coaching topics to be coached on during the event so that you can practice your coaching skills.

Recommended dress code is Casual Friday attire; jeans and comfortable shoes are acceptable. Facility temperatures vary so consider bringing clothing you can layer to compensate for cool or warm temperatures.

Electronics:

- Laptops are permitted provided you are using them for training purposes, such as taking notes. Please do not use your laptop for tasks not related to training, such as checking email. It diverts you from your purpose and distracts others.
- Please be considerate to everyone and put phones and other devices in a silent mode. We kindly request that you refrain from texting during your training. Should an emergency require your attention, please leave the room and attend to the issue before returning to your session.
- Facilities vary. Therefore, we cannot guarantee internet access.
- Since facilities differ from location to location, we cannot estimate the number of electrical outlets. You may want to bring a power strip.

Meals are not provided unless your host or faculty member has communicated different arrangements.

Resources

- **The faculty:** They are happy to help you and can be a wealth of information.
- **Mentor-coaching:** You are required to work with a Mentor Coach for a minimum of 10 hours. A directory of mentor coaches is available on the website. (<http://coaching4clergy.com/mentor-coaching/>)
